DETAILED ACTION

Applicants' Amendment has been examined. The title and specification is amended. Claims 1, 4, 12, 15 and 17 are amended. Claims 3, 6-11, and 14 are cancelled. Claims 1, 2, 4, 5, 12, 13, 15, 16 and 17 are pending.

1. Applicants' Amendment is considered persuasive-in-part. However, the current outstanding objections resulting from Applicants' amendment preclude allowance.

Claim Objections

2. Claims 1, 4 objected to because of the following informalities: Pursuant to claim 1, at line 10, before "location", delete "relative", after "location", insert - -relative- -; at line 10, delete "real" to correct the antecedent basis problem ("the first real cell instance"). Pursuant to claim 4, at line 10, after "location", insert - -relative--; at line 9, after "instances", insert a comma (,). Claims dependent from these objected to claims are likewise objected to. Appropriate correction is required.

3. Applicants are advised that should claim 1 be found allowable, claim 4 will be objected to under 37 CFR 1.75 as being a substantial duplicate thereof. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Allowable Subject Matter

4. Claims 12, 13, 15-17 are allowed for the reasons outline in Paper No. 5.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
